

Paddle Splash

& Play

a free kids' event

Nine Mile Recreation Area
July 30, 2011, 10am - 3pm

A free event to promote the safe, healthy and refreshing world of paddling! Take advantage the great water Spokane has to offer.

There will be lots of equipment available for you and your children to try including, canoes, whitewater kayaks, seakayaks, inflatable kayaks, recreational kayaks and stand-up paddle boards.

If you have your own pfd (personal floatation devices or life jackets) it is advisable to bring them along as sizes could be limited. This will ensure you and your kids can get out on the water sooner.

Many experienced paddlers will be on hand to answer any questions you have about paddling and water safety. We look forward to sharing with you and your kids our enthusiasm for the water.

And remember to Paddle, Splash & Play!
